The Place – Founder Square Arlington

The Place—a part of Founders Square—is an approximate 1.2 million-square-foot, mixed-use development in Arlington, Va., and is designed for Leadership in Energy and Environmental Design (LEED) Silver certification.

The project is the 17-story, 238,060 square-foot residential tower, which will include design features such as a prominent curved window wall, a rooftop terrace with wood decking, two custom year-round spas, a resident-use bar and interior clubroom. Sustainable features include an energy efficient HVAC system, use of regional building materials, and water use reduction techniques for the building operations.

Universal Stones is awarded subcontractor, will furnish, fabricate and install 257 units of Kitchen Countertop using Caesarstone as well as Vanity, Leasing, Clubroom, etc. The project is now under construction and expecting to be completed by March 2014.
